## Definitions

- For new business applications, non-medical can be replaced by a tele-interview only (not a paramedical).
- Tele-interview and vitals can be replaced by a paramedical.
- Blood: a blood profile and urinalysis. Includes HbA1c on all bloods and PSA for males over age 50.

## Additional requirements

- Proposed insureds age 16 or older who have lived in Canada for less than one year will require a tele-interview, vitals and blood (with hepatitis B and C markers) as a minimum or, if more extensive, the regular requirements in the chart above.

*Waiver of premiums on the life of the owner:* Non-medical is required
